

Why do YOU give in gratitude?

“O Lord, you have given me so much. Please give me one more thing, a grateful heart.”
—George Herbert

We give in gratitude to The Church of St. Michael & St. George because of the invaluable ways that it enriches our lives. It is helping us raise our two children, Sophia and George, in a loving, vibrant Christian community. It means the world to us to know that we are building a solid spiritual foundation for our children through the church. We are deeply grateful for the chances to be involved with the church in a variety of ways, both socially and through volunteering. Every Sunday, the services help us reconnect with the most important part of our lives: our spiritual connection with God.

I give in gratitude for this church. I love CSMSG, my friends and family are here. I have grown up here, of course I am going to give money to this church. Making a pledge to The Church of St Michael & St George is my way of saying, "this is God's money, I am giving it back."
—Lily Brown

I give in gratitude to The Church of St. Michael & St. George. The support and nurturing the church gives to the family is remarkable. I appreciate the superior music, both vocal and organ, whose repertoire spans the centuries. I am grateful to CSMSG for the beautiful liturgy.

I always feel that St. Michael's gives so much to everyone and it gives me true pleasure to give back to the church, and, by extension, to the community... so as I make a pledge to "Give in Gratitude," it is with a feeling of true appreciation and thankfulness for all St. Michael's has done and continues to do for my family, for me, and for our community. My Christian faith is greatly enriched because of this bond with St. Michael's and I will always consider The Church of St. Michael and St. George to be my church home.

I give in gratitude because I have been blessed and I desire to give back to God and to the church from which I receive rich spiritual nourishment. I believe I am a necessary part of the body of Christ and my time, talent and treasure, together with that of others, build the Church and spread the gospel throughout the world. What could be more important?
