

**THE CHURCH
OF ST. MICHAEL & ST. GEORGE**

The Church of St. Michael & St. George is committed to growing –spiritually and numerically.

We want to grow spiritually so that we may better reflect Christ in our daily lives. A life grounded in a vibrant relationship with Christ shapes our relationships with others and brings joy to daily living.

We want to grow numerically because others also need Christ in their lives, and new members add life and vitality to the parish.

We need another priest and more programs if we are to grow spiritually and numerically. Generous and faithful giving will make this possible. Take a moment to read the pages of this brochure. Read what the Vestry is committed to giving. Read about the impact CSMSG is making in the lives of parishioners like yourself, and then say a prayer.

What impact is CSMSG making in your life? Join us and *Give To Grow*. Make a generous pledge. You will be blessed, and your generosity will bless others.

VESTRY STATEMENT

The Vestry of The Church of St. Michael & St. George affirms the importance of stewardship to the spiritual health of the individual and the parish, and acknowledges the tithe of ten percent of annual income as the Biblical standard of giving to God's work in the world. As Vestry members, we have been called to provide leadership to The Church of St. Michael & St. George.

Accordingly, each member of the Vestry commits that our own pledge to The Church of St. Michael & St. George will be the largest single annual gift we make, and commits to a personal program of increased giving and moving toward the tithe in 2010, if we have not yet obtained that goal. The Vestry invites each member of The Church of St. Michael & St. George to join them in this commitment.
