**THE CHURCH**  
OF ST. MICHAEL & ST. GEORGE

### **VESTRY STEWARDSHIP STATEMENT FOR 2018**

The Clergy and Vestry of The Church of St. Michael & St. George affirm the importance of stewardship to the spiritual health of the individual and the parish, and acknowledge the tithe of ten percent of annual income as the biblical standard of giving to God's work in the world.

As Clergy and Vestry members, we have been called to provide leadership to this church. Accordingly, each member of the Clergy and Vestry commits that our own pledge to this church will be the largest single annual gift we make. If we are not currently tithing, then we further commit to a personal program of significantly increased giving each year until we attain that goal. The Clergy and Vestry invite each church member to join us in this commitment..
