Vestry Stewardship Statement for 2024

The Clergy and the Vestry of The Church of St. Michael & St. George affirm the importance of stewardship to the spiritual health of the individual and the parish and make the following statement:

“God, You are the giver of every good gift, ever present in our lives and in the world. In turn, we use Your gifts to care for Your creation and spread word of Your kingdom.

We pray that the Holy Spirit will deliver us from the insecurity and fear about money that binds us. As leaders of this Church, we pledge to commit the first fruits of our labor to You. We acknowledge the tithe as the biblical standard of giving to Your work in the world. We will strive to increase our giving with this goal in mind.

Based on the above, each member of the Vestry commits to making their contribution to The Church of St. Michael & St. George the largest single gift they make this year.

We pray that You will increase our desire and ability to give and help others through ministry and friendship. We gratefully commit ourselves to the work You have given us to do.”
